PROJECTS

Mental-Health

Mar 2019 - Mar 2019

<https://github.com/sannanansari/Mental-Health>

In today's world mental health is one of the most leading health problem. To treat with allopathic medicine is not good because it has some side effects to health. So we come up with this website which cure mental health with homeopathic medicine.

Mumbai Guide

Mar 2018 - Mar 2018

<https://github.com/sannanansari/Mumbai-Guide>

This a front-end project.I have work on this project with my two friends. Our project abstract was to eliminate the local guide in Mumbai (due to reason of safety of tourist).
